This matter comes before the Public Service Commission of South Carolina (the Commission) on the Joint Motion for Settlement Hearing and Adoption of Settlement Agreement filed by the South Carolina Office of Regulatory Staff (ORS) and Stan Brown d/b/a Water Head, LLC (Brown) (together, the Joint Movants).

On or about February 21, 2007, ORS filed a Petition for an Order Requiring Certification as a Water Utility and the Posting of a Performance Bond against Brown regarding his operation of a public water system (PWS #3970300) providing water service to residential and commercial customers in the Rock at Jocassee subdivision in Pickens County, South Carolina. ORS and Brown are the only parties of record in this matter.

Brown has determined that his interests, and ORS has determined that, in its view, the public interest, would best be served by stipulating to a comprehensive settlement of all issues pending in this proceeding. The Joint Movants have filed an Agreement, detailing the terms and conditions of the proposed settlement between the parties.
